65-75

70-80

75-85

By conviction date after July 1, 2011

A speeding conviction that is within the allowed buffer limits is not to be considered a moving violation or be recorded on the driving record.

Any speeding conviction occurring where the authorized speed limit is other than those listed above is considered a moving violation and the conviction is entered on the driving record.

The Speeding Buffers do **NOT** apply to CDL holders.
