ECONOMIC IMPACT STATEMENT  
K.A.R. 14-26-1, 14-26-2, 14-26-3, 14-26-4, 14-26-5, 14-26-6, 14-26-7 & 14-26-8**

**I. Summary of Proposed Regulations.**

Chapter 14, new article 26 creates regulations pertaining to new rights of the CMB retailer license effective April 1, 2019 for cereal malt beverage (CMB) retailers who possess a CMB retailer's license to sell beer and CMB for consumption on the licensed premises.

**II. Reason or Reasons the Proposed Regulation is Required, Including Whether or not the Regulation is Mandated by Federal Law.**

2017 House Sub for SB 13 authorized sales of beer up to 6% alcohol by volume by CMB retailers and tasked the Alcoholic Beverage Control (ABC) director with regulating these sales to ensure an orderly market. This regulation is not mandated by federal law, and, therefore, the regulation does not exceed the requirements of federal law.

**III. Anticipated Economic Impact upon the Kansas Department of Revenue – Alcoholic Beverage Control Division.**

The adoption of these regulations will not require additional FTEs, including enforcement.

**IV. Anticipated Financial Impact upon other Government Agencies and upon Private Business or Individuals.**

No economic impact to other governmental agencies is anticipated. Effective April 1, 2019, on-premise CMB retailers will also be able to sell beer not more than 6% alcohol by volume in addition to the CMB they currently sell.

**V. Description of any Less Costly or Less Intrusive Methods that were Considered by the Department of Revenue – Alcoholic Beverage Control Division for Achieving the State Purpose of the Regulation and the Reason that those Methods were Rejected in Favor of the Proposed Regulation.**

None.
