Selected 2018 Enacted Kansas Legislation

Administrative

Senate Bill 56 creates the Kansas Cybersecurity Act (Act) and amends the membership and the frequency of required meetings for the Information Technology Executive Council (ITEC).

House Bill 2280 revises the Rules and Regulations Filing Act pertaining to economic impact statements, new authority granted to the Director of the Budget to review and approve proposed rules and regulations, the composition of the State Rules and Regulations Board, the composition and powers of the Joint Committee on Administrative Rules and Regulations, and an evaluation that will be conducted by the Legislative Division of Post Audit regarding the implementation of the new provisions contained in the bill.

Alcoholic Beverage Control

House Bill 2362 creates a \$20 alcoholic beverage control (ABC) modernization fee to be charged on both initial and renewal liquor license applications. The bill reduces the initial application fee for a liquor license from \$50 to \$30 plus the \$20 modernization fee. The \$20 modernization fee is added to the renewal application fee, which will remain at \$10. The revenue from the \$20 fee will be deposited in the ABC Modernization Fund created by the bill, to be used for the software and equipment upgrades associated with the Department of Revenue's licensing, permitting, enforcement, and case management.

Economic Development

Senate Bill 185 revises the powers of Johnson and Labette counties pertaining to certain redevelopment districts and authorities.

Income Tax

House Bill 2067 amends Kansas law related to savings accounts established for designated beneficiaries to pay for qualified disability expenses pursuant to sections 529 and 529A of the Internal Revenue Code of 1986. The bill allows the proceeds from such an account established pursuant to section 529A to be transferred upon the death of a designated beneficiary to such beneficiary's estate or an account for another eligible individual specified by the designated beneficiary. The bill also disallows the State, or any agency or instrumentality thereof, from seeking the proceeds from such an account, except when such action is otherwise required by the federal Social Security Act. The bill also extends a subtraction modification for purposes of Kansas individual income taxes to contributions made to a qualified savings account established pursuant to section 529A. Finally, the bill eliminates a requirement that expenditures made from a savings account established pursuant to section 529 must be used at an institution of postsecondary education in order for a taxpayer making contributions to such an account to be able to claim the subtraction modification.

House Bill 2147 creates a process by which certain Native American military veterans may apply for a refund of state personal income taxes improperly withheld.

Liquor Tax

House Bill 2470 allows microbreweries in Kansas to contract with other microbreweries for production and packaging of beer and hard cider, creates and amends law related to the sale of alcoholic candy and to the sale of domestic beer in refillable containers, allows licensed microbrewers in the state to produce beer containing up to 15.0 percent alcohol by weight,

Selected 2018 Enacted Kansas Legislation

increases the length of time that certain businesses may serve or sell alcohol, and allows self-service beer from automated machines.

House Bill 2502 provides for newly authorized sales by cereal malt beverage (CMB) licensees of beer containing no more than 6.0 percent alcohol by volume to be subject to state and local sales taxes instead of the state liquor enforcement tax. Pursuant to legislation enacted in 2017, starting on April 1, 2019, CMB licensees will be allowed to sell beer containing no more than 6.0 percent alcohol by volume.

Lottery

House Bill 2194 amends the Kansas Lottery Act (Act) to allow the use of lottery ticket vending machines and the use of instant bingo vending machines, amends law concerning underage purchasing of lottery tickets, extends the sunset for the Kansas Lottery (Lottery), amends law directing transfers from the Lottery Operating Fund, and amends law concerning the State Debt Setoff Program.

Sales Tax

Senate Bill 415 diverts a portion of state sales tax collections by the Kansas State Fair (Fair) and retailers on the fairgrounds from the State General Fund (SGF) to the State Fair Capital Improvements Fund (SFCIF), effective July 1, 2018. Previously, 83.846 percent of such collections was allocated to the SGF and 16.154 percent to the State Highway Fund (SHF). The SFCIF will not receive the SHF's relative portion of the Fair-related collections. The diversion provisions expire if the Fair is to be located outside the city limits of Hutchinson. The bill also repeals a statutory transfer from the SGF to the SFCIF. That transfer had been set at not more than \$100,000 per year for FY 2018 and FY 2019 and not more than \$300,000 per year in subsequent years.

House Bill 2111 excludes the amount of any cash rebate granted by a manufacturer to a purchaser or lessee of a new motor vehicle from the sales price of the motor vehicle for purposes of calculating the sales tax liability on the purchase of the motor vehicle. The bill requires the rebate to be paid directly to the retailer as a result of the original sale. This exclusion takes effect July 1, 2018, and sunsets June 30, 2021.

House Bill 2488 creates the crime of knowingly selling, purchasing, installing, transferring, manufacturing, creating, designing, updating, repairing, using, or possessing automated sales suppression devices or phantom-ware. The bill defines an "automated sales suppression device" to include a computer software program carried on a memory stick or removable compact disc that is accessed through an Internet link or any other means that falsifies electronic records of electronic cash registers and other point-of-sale systems. "Phantom-ware" is generally defined as a hidden programming option embedded in the operating system or hardwired into an electronic cash register that is used to create a virtual second till or eliminate or manipulate selected transaction records.

Motor Vehicle Legislation

Senate Bill 272 amends the Uniform Act Regulating Traffic on Highways (Uniform Act) regarding passing of waste collection vehicles, length and weight limits for certain vehicles, the fine for improper passing of a school bus, and operation of golf carts on city streets.

Selected 2018 Enacted Kansas Legislation

Senate Bill 294 removes a requirement in the Vehicle Dealers and Manufacturers Licensing Act that the holder of a vehicle salesperson license be tested by written examination at license renewal. The bill allows the Director of Vehicles (Director) to require retesting for any salesperson licensee at renewal based on terms and conditions established by the Director.

Senate Bill 374 amends law concerning driving under the influence of alcohol, drugs, or both (DUI). Specifically, the bill amends statutes governing the crimes of operating or attempting to operate a commercial motor vehicle under the influence (commercial DUI); implied consent; and tests of blood, breath, urine, or other bodily substance. The bill also repeals the crime of test refusal.

House Bill 2439 amends the definition of the crime of involuntary manslaughter to include the killing of a human being committed in the commission of, or attempt to commit, or flight from driving under the influence of alcohol or drugs (DUI) while: in violation of any restriction imposed on such person's driving privileges for DUI; the person's driving privileges are suspended or revoked for DUI; or the person has been deemed a "habitual violator," as defined in KSA 2017 Supp. 8-285, including at least one DUI violation.

House Bill 2472 places a question as to an individual's willingness to give his or her authorization to be listed as an organ, eye, and tissue donor in the Kansas Donor Registry (Registry) in accordance with the Revised Uniform Anatomical Gift Act (Act) on the applications for a driver's license, renewal of a driver's license, and an identification card and on the notice of a driver's license expiration. The bill requires the word "donor" be placed on the front of the driver's license or identification card of an individual who provides authorization to be listed in the Registry on an application for a driver's license or an identification card. Further, the bill amends the Act regarding the persons authorized to make an anatomical gift upon a decedent's death, adds a definition for "healthcare provider," and provides an exemption from liability for such providers.

House Bill 2599 authorizes the following distinctive license plates for issuance on and after January 1, 2019: Special Olympics, Choose Life, City of Wichita, veteran of the Korean War, veteran of Operation Desert Storm, veteran of Operation Iraqi Freedom, and veteran of Operation Enduring Freedom.

House Bill 2606 amends law related to testing for a Class M (motorcycle) driver's license, online driver's license renewal, and the length of time a commercial driver's license is valid.

Kansas Local and State Use Tax Reported on K-40

Kansans who buy goods in other states or through catalogs, internet, mail-order companies, or from TV, magazine and newspaper ads must pay Kansas Use Tax on these purchases if the seller does not charge a Kansas tax equal to the Kansas Retailers' sales tax rate (state plus local) in effect where the item(s) will be used, stored or consumed.

Individual consumers report Kansas use tax owed on untaxed out-of-state purchases on the K-40 Individual Income Tax form. This is a component of the Total Kansas Local and Use tax amount, which includes tax reported on the K-40 and the tax reported by businesses and retailers.

Mineral Tax Distributions by Product and Fund

Taxes on minerals are distributed first into a Refund Fund, then into the State General Fund and the Special County Mineral Tax Production Fund. Beginning in FY 2009, a portion of the SGF Severance Tax Receipts was earmarked for the Oil and Gas Valuation Depletion Trust Fund (OGVDTF). The first transfer to this fund was in October 2009. Effective FY 2017, the OGVDTF was abolished and the Mineral Production Education Fund (MPEF) was created. The fund is credited with 20% of mineral severance taxes collected during the previous fiscal year in counties with receipts in excess of \$100,000. The monies from the MPEF are then transferred twice annually to the State School District Finance Fund (SSDFF).

Homestead Property Tax Refunds

The Homestead Refund is a rebate of a portion of the property taxes paid on a Kansas resident's homestead. Your refund percentage is based on your total household income. If you own your home, the refund is a percentage of your general property tax. If you rent your home, a percentage of the rent paid for occupancy is used as the property tax amount. (*Effective Tax Year 2013, renters will no longer qualify for this refund.*) In Tax Year 2016, the maximum refund was \$700 and the maximum household income was \$34,100. In Tax Year 2017, the maximum refund was \$700 and the maximum household income was \$34,450.

In 2008, the legislature enacted the Selective Assistance for Effective Senior Relief (SAFE SENIOR), which is a property tax refund program administered under the provisions of the Kansas Homestead Act. The refund is a percentage of the general property tax paid or to be paid. In Tax Year 2016, the maximum household income was \$19,200. In Tax Year 2017, the maximum household income was \$19,500. A claimant may receive either a Homestead or a SAFE SENIOR refund, but not both. During the last reported year, the Kansas Department of Revenue issued \$7,391,998 in SAFE SENIOR refunds to 6,660 homeowners. This is reported as a portion of the total homestead refunds issued.

Driver License Fee Collections by Calendar Year

Driver licenses are issued by the Division of Vehicles for the operation of motor vehicles. The Division also issues Identification Cards. During the 1997 Legislative Session, House Bill 2073 was enacted. The bill extended the license renewal cycle from four to six years for licensed drivers between the ages of 21 and 65. All fees increased to the six-year rate at the previous cost per year.
