The amount of the credit is capped at \$500,000 per each qualified vendor each tax year. The cumulative amount of credits allowed is capped at \$5.0 million. The tax credits are nonrefundable, and unused credits may carry forward for up to four years and apply against the liability of future tax years. The bill repeals the statute (and removes the associated fine from the uniform fine schedule) governing the offense of refusing to submit to a test to determine the presence of alcohol or drugs. [Note: This statute was repealed by 2018 House Sub. for SB 374, but due to another enactment, was not fully repealed.]

Selected 2019 Enacted Kansas Legislation

House Bill 2125 requires the holder of a driver's license who is operating a motor vehicle to promptly deliver, rather than display, the driver's license upon demand of any officer of a court of competent jurisdiction, any peace officer, or any examiner or officer of the Division of Vehicles, Department of Revenue. The requirement applies when the driver's license is in the licensee's immediate possession at the time of the demand.

House Bill 2126 amends law restricting access to motor vehicle records. The bill removes from state law certain purposes for which state motor vehicle records may be released, but also authorizes release for any purpose not listed in Kansas law that is permissible under the federal Driver's Privacy Protection Act as it existed on January 1, 2018. The bill makes corresponding changes to provisions directing \$1 from fees for each record requested to the Highway Patrol Training Center Fund.

Senate Bill 17 removes an exception for a motorcycle operated with a temporary registration permit (also known as a "temporary tag") from a requirement for each operator of a motor vehicle in Kansas to hold a license classified for the operation of the motor vehicle being operated. Under prior law, a holder of any class of driver's license could operate a motorcycle with a temporary registration permit.

Senate Bill 39 amends the Vehicle Dealers and Manufacturers Licensing Act (Act) regarding compensation of new vehicle dealers for warranty services.

Senate Bill 63 amends the Uniform Act Regulating Traffic on Highways (Uniform Act) regarding use of certain lights by transportation network company drivers, driver responsibilities when on-track equipment is nearby, sun screening material on vehicle windows, operation of all-terrain vehicles (ATVs) and work-site utility vehicles, and regulation of electric-assisted scooters (escooters).

Senate Bill 97 authorizes registration of certain rental vehicles in fleets and issuance of permanent license plates to reflect that registration. The bill requires the Division of Vehicles (Division), Department of Revenue, to register and issue a license plate for any qualifying vehicle upon payment of all applicable registration fees. The bill requires the Division to issue permanent license plates designed to remain with a motor vehicle as long as the vehicle remains part of the qualifying fleet. The bill authorizes the Division to impose a fee not exceeding \$1.00 for each such registration. Those fees will be remitted to the State Treasurer for credit to the Fleet Rental Vehicle Administration Fund created by the bill, for purposes of funding the administrative costs for registering and tagging fleet rental vehicles.

Kansas Local and State Use Tax Reported on K-40

Kansans who buy goods in other states or through catalogs, internet, mail-order companies, or from TV, magazine and newspaper ads must pay Kansas Use Tax on these purchases if the seller does not charge a Kansas tax equal to the Kansas Retailers' sales tax rate (state plus local) in effect where the item(s) will be used, stored or consumed.

Individual consumers report Kansas use tax owed on untaxed out-of-state purchases on the K-40 Individual Income Tax form. This is a component of the Total Kansas Local and Use tax amount, which includes tax reported on the K-40 and the tax reported by businesses and retailers.

Mineral Tax Distributions by Product and Fund

Taxes on minerals are distributed first into a Refund Fund, then into the State General Fund and the Special County Mineral Tax Production Fund. Beginning in FY 2009, a portion of the SGF Severance Tax Receipts was earmarked for the Oil and Gas Valuation Depletion Trust Fund (OGVDTF). The first transfer to this fund was in October 2009. Effective FY 2017, the OGVDTF was abolished and the Mineral Production Education Fund (MPEF) was created. The fund is credited with 20% of mineral severance taxes collected during the previous fiscal year in counties with receipts in excess of \$100,000. The monies from the MPEF are then transferred twice annually to the State School District Finance Fund (SSDFF).

Homestead Property Tax Refunds

The Homestead Refund is a rebate of a portion of the property taxes paid on a Kansas resident's homestead. Your refund percentage is based on your total household income. If you own your home, the refund is a percentage of your general property tax. If you rent your home, a percentage of the rent paid for occupancy is used as the property tax amount. (*Effective Tax Year 2013, renters will no longer qualify for this refund.*) In Tax Year 2017, the maximum refund was \$700 and the maximum household income was \$34,450. In Tax Year 2018, the maximum refund was \$700 and the maximum household income was \$35,000.

In 2008, the legislature enacted the Selective Assistance for Effective Senior Relief (SAFE SENIOR), which is a property tax refund program administered under the provisions of the Kansas Homestead Act. The refund is a percentage of the general property tax paid or to be paid. In Tax Year 2017, the maximum household income was \$19,500. In Tax Year 2018, the maximum household income was \$19,800. A claimant may receive either a Homestead or a SAFE SENIOR refund, but not both. During the last reported year, the Kansas Department of Revenue issued \$7,229,437 in SAFE SENIOR refunds to 6,381 homeowners. This is reported as a portion of the total homestead refunds issued.

Driver License Fee Collections by Calendar Year

Driver licenses are issued by the Division of Vehicles for the operation of motor vehicles. The Division also issues Identification Cards. During the 1997 Legislative Session, House Bill 2073 was enacted. The bill extended the license renewal cycle from four to six years for licensed drivers between the ages of 21 and 65. All fees increased to the six-year rate at the previous cost per year.

Liquor Excise Tax Gross Receipts

The liquor excise tax is a 10% tax imposed on alcohol sold for on-premise consumption. The tax is imposed on the sale of drinks containing alcoholic liquor sold by clubs, caterers, and drinking establishments (including farm wineries, microbreweries, and microdistilleries also licensed as a drinking establishment selling to customers for on-premise consumption). The tax is also imposed on the acquisition cost of alcoholic liquor used in free samples offered by clubs and drinking establishments. Seventy percent of the tax collection is returned to the locality from which collected; 25% is credited to the State General Fund; and 5% to the Community Alcoholism and Intoxication Programs Fund. This tax is collected by the Division of Tax Operations rather than the Division of Alcoholic Beverage Control.
