Mineral Tax Distributions by Product and Fund

Taxes on minerals are distributed first into a Refund Fund, then into the State General Fund and the Special County Mineral Tax Production Fund. Beginning in FY 2009, a portion of the SGF Severance Tax Receipts was earmarked for the Oil and Gas Valuation Depletion Trust Fund (OGVDTF). The first transfer to this fund was in October 2009. Effective FY 2017, the OGVDTF was abolished and the Mineral Production Education Fund (MPEF) was created. The fund is credited with 20% of mineral severance taxes collected during the previous fiscal year in counties with receipts in excess of \$100,000. The monies from the MPEF are then transferred twice annually to the State School District Finance Fund (SSDFF).

Homestead Property Tax Refunds

The Homestead Refund is a rebate of a portion of the property taxes paid on a Kansas resident's homestead. Your refund percentage is based on your total household income. If you own your home, the refund is a percentage of your general property tax. If you rent your home, a percentage of the rent paid for occupancy is used as the property tax amount. (*Effective Tax Year 2013, renters will no longer qualify for this refund.*) In Tax Year 2022, the maximum refund was \$700 and the maximum household income was \$37,750. In Tax Year 2023, the maximum refund was \$700 and the maximum household income was \$40,500. During the last reported tax year, the Kansas Department of Revenue issued \$12,826,987 in Homestead refunds to 52,264 homeowners.

In 2008, the legislature enacted the Selective Assistance for Effective Senior Relief (SAFE SENIOR), which is a property tax refund program administered under the provisions of the Kansas Homestead Act. The refund is a percentage of the general property tax paid or to be paid. In Tax Year 2022, the maximum household income was \$22,000. In Tax Year 2023, the maximum household income was \$23,700. A claimant may receive either a Homestead or a SAFE SENIOR refund, but not both. During the last reported tax year, the Kansas Department of Revenue issued \$8,539,033 in SAFE SENIOR refunds to 6,339 homeowners. This is reported as a portion of the total homestead refunds issued.

In 2022, the legislature created a new Homestead SVR program for seniors and disabled veterans, for refund claims to be paid to claimants for the amount by which the claimant's residential property tax exceeds the amount of the claimant's property tax in the claimant's base year. The maximum household income was \$50,000. During the last reported tax year, the Kansas Department of Revenue issued \$2,620,471 in Homestead SVR refunds to 11,641 homeowners.

Driver License Fee Collections by Calendar Year

Driver licenses are issued by the Division of Vehicles for the operation of motor vehicles. The Division also issues Identification Cards. During the 1997 Legislative Session, House Bill 2073 was enacted. The bill extended the license renewal cycle from four to six years for licensed drivers between the ages of 21 and 65. All fees increased to the six-year rate at the previous cost per year.

Liquor Excise Tax Gross Receipts

The liquor excise tax is a 10% tax imposed on alcohol sold for on-premise consumption. The tax is imposed on the sale of drinks containing alcoholic liquor sold by clubs, caterers, and drinking establishments (including farm wineries, microbreweries, and microdistilleries also licensed as a drinking establishment selling to customers for on-premise consumption). The tax is also imposed on the acquisition cost of alcoholic liquor used in free samples offered by clubs and drinking establishments. Seventy percent of the tax collection is returned to the locality from which collected; 25% is credited to the State General Fund; and 5% to the Community Alcoholism and Intoxication Programs Fund. This tax is collected by the Division of Tax Operations rather than the Division of Alcoholic Beverage Control.
