## GENERAL INFORMATION

The Kansas Department of Revenue may consider a payment plan agreement for taxpayers to resolve their accounts if certain criteria are met. Taxpayers who are granted a payment plan must file and pay all current and future taxes and estimated payments when due. Any additional debts not included in the agreement or missed payments will be considered default of the agreement and KDOR may take immediate enforcement action.

Penalty and interest will continue to accrue during the life of the agreement based upon any unpaid tax. Any refunds or other monies due to the taxpayer will be applied to the liability, even if the taxpayer is/has made all their installment payments on time.

A tax warrant must be filed with the District Court for pay plans over 12 months. A tax warrant will also be filed if the Statute of Limitations is due to expire during the term of the payment plan.

If your payment plan is denied, you will receive instructions from KDOR on how to proceed.

**Once a payment plan is set, you may choose from one of the following three options offered by KDOR to pay your tax:**

- **Check or Money Order.** If you choose this payment method, be sure to write your Social Security Number on your check or money order and make it payable to "Kansas Income Tax."
- **Direct Payment.** When you select Direct Payment, you are giving KDOR permission to initiate a payment electronically from your bank account. This Direct Payment option is not recurring; you will need to authorize each payment separately. For more information, visit our website at <https://debtpay.kdor.ks.gov/ia>
- **Credit Card.** To pay by credit card you must visit one of the service provider's websites. A convenience fee will be charged by the service provider based on the amount of tax you are paying. You can find out what the fee is by visiting their website: <https://officialpayments.com>
- **Wage Assignment.** To make payment arrangements utilizing a wage assignment(s) through your employer please call 785-296-6121 for information.
