If you purchased goodson-lineor through catalogs, newspapers, TV ads, etc. and did not pay salestax, then you likely owe K ansas C ompensating UseTax

W hat is C ompensating U se Tax? Since 1937 K ansas has imposed a compensating use tax on goods purchased from outside $K$ ansas and used, stored or consumed in Kansas. Its purpose is to protect Kansas retailers from unfair competition from out-of-state retailers who sell goods tax-free by applying a tax on these items equal to the Kansas rate. It also helps to assure fairness to Kansans who purchase the same items in K ansas and pay Kansas sales tax.
Individuals and businesses buying items from retailers in other states may be subject to Kansas compensating use tax on those purchases. The use tax applies to the total cost of the merchandise, including postage, shipping, handling or transportation charges. The use tax rate is the same as the combined state and local sales tax rate in effect where the buyer takes delivery in Kansas. For individuals, this is usually our home. For businesses, it will be the office, shop, job site, etc. where the item(s) are used.
D oll owe this tax? Kansans that buy goods in other states or through catalogs, internet, mail-order companies, or from TV, magazine and newspaper ads must pay Kansas use tax on these purchases if the seller does not charge a Kansas tax equal to the Kansas Retailers' Sales Tax rate in effect where the item(s) will be used, stored or consumed. EXAM PLE: An Anytown, KS resident orders a computer from a company in New York over its web site. Total cost for the computer is $\$ 2,000$ plus $\$ 10$ shipping. The Anytown resident will owe $8.95 \%$ (current Anytown sales tax rate) K ansas use tax on the total cost of $\$ 2,010-\$ 2,010 \times 0.0895=\$ 179.90$.

H ow do Il pay the C ompensating Use Tax? To pay the K ansas use tax on your untaxed out-of-state purchases made during calendar year 2011, refer to the instructions for line 18 of Form K-40 on page 10. You may either use the chart, or compute the tax due by applying the state and local sales tax rate in effect for your address to the total purchases subject to the tax. D on't know your sales tax rate? Go to kssst.kdor.ks.gov/lookup.cfm to look up the rate for your location.
If you have any questions about use tax or about your responsibilities for reporting and paying this tax as an individual Kansas consumer, please contact our Taxpayer Assistance C enter (see page 26).

The ORNATE BOX TURTLE has notoriety as the official Kansas state reptile. It is also a favorite of kids, allowing close-up enjoyment of a very interesting animal. The male of this species has red eyes. While not on a current list for sensitive species, they are definitely in danger from over-harvest and need your support now more than ever. Contribute to the Chickadee Checkoff to help conserve this fascinating Kansas creature.

## GENERAL INFORMATION

If any due date falls on a Saturday, Sunday, or legal holiday, substitute the next regular workday.

Who Must File a Return

You must file a Kansas individual income tax return to receive any refund of taxes withheld, regardless of the amount of total income, or to receive the food sales tax refund.

Kansas law provides that if a husband or wife is a resident of Kansas while the other is a nonresident of Kansas, and file a Married Filing Joint federal return, they must file a Married Filing Joint Kansas return and file as "nonresidents" of the state of Kansas.

## KANSASRESIDENTS

A Kansas resident for income tax purposes is anyone who lives in Kansas, regardless of where they are employed. An individual who is away from Kansas for a period of time and has intentions of returning to Kansas is a resident.

If you were a Kansas resident for the entire year, you must file a Kansas individual income tax return if: 1) you are required to file a federal income tax return; or, 2) your Kansas adjusted gross income is more than the total of your Kansas standard deduction and exemption allowance.

The minimum filing requirements are shown in the following table. If you are not required to file a federal return, you may use this table to determine if you are required to file a Kansas return. For example, if your filing status is single, and you are over 65, you need not file a Kansas return unless your gross income is over $\$ 6,100$. A married couple filing jointly would not be required to file a Kansas return unless their gross income is over \$10,500.

A Kansas resident must file if he or she is: And gross income is at least:

| Single | Under 65 <br> 65 or older or blind $\qquad$ <br> 65 or older and blind | \$ | $\begin{aligned} & 5,250 \\ & 6,100 \\ & 6,950 \end{aligned}$ |
| :---: | :---: | :---: | :---: |
| Married | Under 65 (both spouses) |  | 10,500 |
| Filing Joint | 65 or older or blind (one spouse). | \$ | 11,200 |

## MINORDEPENDENTS

A minor child claimed on another person's return can claim a standard deduction of $\$ 500$ or the amount of their earned income (wages) up to $\$ 3,000$, whichever is greater. Unearned income (such as interest and dividends) over $\$ 500$ is taxable to Kansas and a Kansas return must be filed. If the taxable income (line 7, Form K-40) is zero, a return is not required. However, you must file a Kansas individual income tax return to receive any refund of taxes withheld, regardless of the amount of total income.

## NONRESIDENTS

If you are not a resident of Kansas, but you received income from Kansas sources, you must file a Kansas return regardless of the amount of income received from Kansas sources (see Kansas source income on page 17).

If your employer withheld Kansas taxes from your wages in error, you must also file a Kansas return in order to receive a refund, even though you had no income from Kansas sources. Aletter from your employer on company letterhead and signed by an authorized company official explaining the error must accompany your return. The letter must state the amount of wages and withholding applicable to Kansas.

## PART-YEARRESIDENTS

You are considered a part-year resident of Kansas if you were a Kansas resident for less than 12 months during the tax year. As a part-year resident, you must include the dates that you were a resident in Kansas on Form K-40 and complete Part B of Schedule S.

## MILITARY PERSONNEL

The active and reserve duty service pay of military personnel is taxable ONLY to your state of legal residency, no matter where you are stationed during the tax year. If your home of record on your military records is Kansas, and you have not established residency in another state, you are still a Kansas resident and all of your income, including your military compensation, is subject to Kansas income tax.

If you are a nonresident of Kansas but are stationed in Kansas due to military orders, you must file a Kansas return if you received income from Kansas sources. Only income from Kansas sources is used to determine the Kansas income tax due for nonresident military service members. Nonresident service members will subtract out the amount of their military compensation on Schedule S, line A13.

Kansas income for services performed by a non-military spouse of a nonresident military service member is exempt from Kansas income tax. To qualify for this exemption, the non-military spouse must be residing in Kansas solely because the military service member is stationed in Kansas under military orders. Non-military spouses of service members stationed in Kansas will subtract out their Kansas source income on Schedule S, line A13.

## NATIVEAMERICAN INDIANS

Income received by native American Indians that is exempt from federal income tax is also exempt from Kansas income tax. Income earned by a native American Indian residing on his/her tribal reservation is exempt from Kansas income tax only when the income is from sources on his/her tribal reservation. If any such income is included in the federal adjusted gross income, it is subtracted on Schedule S, line A17.

You can "file now" and "pay later" using our Direct Payment option. See page 11.

If your 2011 return is based on a calendar year, it must be filed and the tax paid no later than April 17, 2012. Taxpayers will have extra time to file and pay income tax because April 15 falls on a Sunday and Emancipation Day - a holiday observed in the District of Columbia - falls on Monday, April 16; so by law this holiday impacts tax deadlines in the same way as any federal holiday. The Kansas filing due date is based on the IRS due date; therefore, filing and payment deadlines that fall on weekends and legal holidays are timely satisfied if met on the next business day, which for 2012 returns is April 17. If your Kansas return is based on a fiscal year, it is due the 15th day of the 4th month following the end of your fiscal year. The instructions in this booklet apply to a calendar year filer.

AMENDED RETURNS: If the amended return will result in a refund to you, the amended return must be filed within three (3) years of when the original return was filed (including extensions allowed) or within two (2) years from the date the tax was paid, whichever is later.

# Where to File 

Mail your Kansas individual income tax return to the following address:

INDIVIDUAL INCOME TAX/FOOD SALES TAX KANSAS DEPARTMENT OF REVENUE 915 SW HARRISON ST TOPEKA, KS 66699-1000

# If You Need Forms 

Due to the sensitivity of the department's imaging equipment for tax return processing, only an original preprinted form or an approved computer-generated version of the K-40, Schedule S, and K-40V should be filed. Do not send KDOR (Kansas Department of Revenue) a "copy" of your form.

Kansas income tax forms are available by calling or visiting our office (see page 26). Forms that do not contain colored ink for imaging purposes can be downloaded from our web site at: ksrevenue.org

## Extension of Time to File

An extension of time to file is NOT an extension of time to pay the tax.

If you are unable to complete your Kansas return by the filing deadline, you may request an extension of time to file. If you filed Form 4868 with the Internal Revenue Service for an automatic extension to file, enclose a copy of this form with your completed Form K-40 to automatically receive an extension to file your Kansas return. Kansas does not have a separate extension request form. If you are entitled to a refund, an extension is not required.

To pay the tax balance due for an extension, use the Kansas Payment Voucher (K-40V). Check the box on the $\mathrm{K}-40 \mathrm{~V}$ indicating extension payment. If you do not pay the tax due (may be estimated) by the original due date, you will owe interest and penalty on any balance due.

## Your Federal Return

If you file Form K-40 using a Kansas address, you do not need to include a copy of your federal return. However, keep a copy as it may be requested by KDOR at a later date. If your Form K-40 shows an address other than Kansas, you must enclose a copy of your federal return (1040EZ, 1040A or 1040 and applicable Schedules A-F) with your Kansas return.

> Confidential Information

Income tax information disclosed to KDOR, either on returns or through department investigation, is held in strict confidence by law. KDOR, the Internal Revenue Service, and several other states have an agreement under which some income tax information is exchanged. This is to verify the accuracy and consistency of information reported on federal and Kansas income tax returns.

## Innocent Spouse Relief

In those cases where husband and wife file as married filing joint for Kansas, and one spouse is relieved of federal liability by the IRS under 26 USC 6013(e) or 6015, he or she is also relieved of Kansas tax, penalty and interest. Innocent spouse relief is also provided in Kansas cases where such relief would have been provided on the federal level had there been a federal liability.

## Estimated Tax

If two-thirds of your income is from farming or fishing, you are not required to make estimated tax payments - but your return must be filed and your tax paid on or before March 1, 2012.

If you have self-employment income or other income not subject to Kansas withholding, you may be required to prepay your Kansas income tax through estimated tax payments. Estimated tax payments are required if: 1) your Kansas income tax balance due, after withholding and prepaid credits, is $\$ 500$ or more; and 2) your withholding and prepaid credits for the current tax year are less than $90 \%$ of the tax on your current year's return, or $100 \%$ of the tax on your prior year's return.

For your convenience, estimate tax payments can be made on-line at https://www.kdor.org/personaltax/ default.aspx or you may request Form K-40ES by contacting KDOR (see page 26).

Underpayment Penalty: If line 28 minus line 18 of Form K-40 is at least $\$ 500$ and is more than $10 \%$ of the tax on line 17 of Form K-40, you may be subject to a penalty for underpayment of estimated tax. Use Schedule K-210 to see if you will have a penalty or if you qualify for one of the exceptions to the penalty.

## Amending Your Return

## If you filed a Schedule

$S$ with your original return, then you must file a Schedule S with your amended return, even if there are no amended changes to the Schedule.

You must file an amended Kansas return when: 1) an error was made on your Kansas return, 2) there is a change (error or adjustment) on another state's return, or 3) there is a change (error or adjustment) on your federal return. In the Amended Return section of Form K-40, mark the box that explains the reason for amending your 2011 Kansas return.

Pay the full amount of tax and interest due on an amended return and no late pay penalty will be assessed. Refer to KDOR's web site for annual interest rates.

AMENDED FEDERAL RETURN: If you are filing an amended federal income tax return, Form 1040X, for the same taxable year as this amended return, you must enclose a complete copy of the amended federal return and full explanations of all changes made on your amended Kansas return. If your amended federal return is adjusted or disallowed, it is necessary to provide KDOR with a copy of the adjustment or denial letter.

If you did not file a Kansas return when you filed your original federal return, and the federal return has since been amended or adjusted, use the information on the amended or adjusted federal return to complete your original Kansas return. A copy of both the original and amended federal returns should be enclosed with the Kansas return along with an explanation of the changes.

FEDERAL AUDIT: If a previously filed federal return was not correct, or if your original return was adjusted by the IRS, amended returns or copies of the Revenue Agent's Reports must be submitted within 180 days of the date the federal adjustments are paid, agreed to, or become final, whichever is earlier. Failure to properly notify the Director of Taxation within the 180 day period will cause the statute of limitations to remain open (KDOR could make assessments for as many years back as necessary).

## Deceased Taxpayers

If you are the survivor or representative of a deceased taxpayer, you must file a return for the taxpayer who died during the calendar year.

If you are a surviving spouse filing a joint federal income tax return, a joint Kansas return must also be filed. Include the decedent's Social Security number in the space provided in the heading of the return. Be sure the appropriate box below the heading has been checked.

Decedent Refund Documentation. If you are a surviving spouse requesting a refund of $\$ 100$ or less, you must enclose ONE of the following with your Form K-40:

- Federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer
- Death certificate
- Obituary statement
- Funeral home notice
- Letters Testamentary
- Kansas Form RF-9, Decedent Refund Claim

If you are a surviving spouse requesting a refund of OVER $\$ 100$, or if a refund of ANY amount is being requested by someone other than the surviving spouse, you must submit with your Form K-40:

- Proof of death (death certificate, obituary statement or funeral home notice), AND
- Kansas Form RF-9, Decedent Refund Claim

## Food Sales Tax Refund

If you filed a Kansas income tax return last year, you can use "WebFile" to claim your food sales tax refund and get it fast! See page 26.

Form K-40 is not only a Kansas income tax return, but also the claim form for the food sales tax refund. This program offers a refund of the sales tax paid on food. To qualify, you must be 55 years of age or older, or be blind or disabled, or have a dependent child under 18 who lived with you all year whom you claim as a personal exemption. You must also be a Kansas resident (residing in Kansas the entire year) whose Kansas qualifying income is $\$ 35,400$ or less. The refund is claimed on line E on the front of Form K-40 - see instructions on page 8 . The food sales tax refund will either increase the amount of your income tax refund or decrease the amount you owe.

All returns requesting a food sales tax refund must be received by KDOR no later than April 17 or within the federal extension period. Failure to file for a food sales tax refund before October 15 will result in a denial of the refund. The Director of Taxation may extend the time for filing any claim when good cause exists, or accept a claim filed after the deadline for filing in the case of sickness, absence or disability of the claimant if such claim has been filed within four years of such deadline.

## Homestead \& Property Tax Relief Refunds

These claims can be filed electronically. Refer to the K-40H and K-40PT instructions on our web site for details.

The Homestead Refund program offers a property tax rebate of up to $\$ 700$ for homeowners and renters. To qualify, the claimant must be a Kansas resident (residing in Kansas the entire year) whose 2011 household income was $\$ 31,200$ or less, and who is over 55 years old, or is blind or disabled, or has a dependent child under 18 who lived with them all year. "Household income" is generally the total of all taxable and nontaxable income received by all household members. This refund is claimed on Kansas Form K-40H, Kansas Homestead Claim.

A property tax refund for homeowners, 65 years of age or older with household income of $\$ 17,700$ or less, is also available on Form K-40PT. The refund is $75 \%$ of the property taxes paid. Claimants who receive this property tax refund cannot claim a Homestead refund.

The Homestead and Property Tax Relief forms and instructions are available by calling or visiting our office (see page 26).

## K-40 Instructions

## TAXPAYER INFORMATION

Complete all information at the top of the K-40 by printing neatly. If your name or address changed, or if you are filing with or for a deceased taxpayer, indicate so by marking the appropriate boxes.

## AMENDEDRETURN

If you are filing an amended return for 2011, mark the box that states the reason. NOTE: You cannot amend to change your filing status from "joint" to "separate" after the due date of the return.

## FILING STATUS

Your Kansas filing status must be the same as your federal filing status. If your federal filing status is Qualifying Widow(er) with Dependent Child, check the Head of Household box. If you and your spouse file a joint federal return, you must file a joint Kansas return, even if one of you is a nonresident. If you each file separate federal returns, you must file separate Kansas returns.

## RESIDENCYSTATUS

Check the appropriate box for your residency status (see page 3 for definitions). If you mark the Part-year resident box, enter the dates that you lived in Kansas and complete Schedule S, Part B. Nonresidents must also complete Part B of Schedule S.

## EXEMPTIONS AND DEPENDENTS

Enter the number of exemptions claimed on your federal return. If no federal return was filed, enter the total exemptions for you, your spouse (if applicable), and each person you claim as a dependent.

If your filing status is Head of Household, you are allowed an additional Kansas exemption; enter a " 1 " in the box provided. Enter the total number of exemptions in the Total Kansas exemptions box. Important-If you are claimed as a dependent by another taxpayer, enter " 0 " in the Total Kansas exemptions box.

In the spaces provided, enter the name, date of birth, relationship, and Social Security number of each person you claimed as a dependent. If additional space is needed, enclose a separate schedule.

## FOOD SALES TAX QUALIFICATION

To qualify for a refund of sales tax paid on food purchases you must meet the qualifications for residency, taxpayer status, and qualifying income.

If you were a resident of Kansas for all of 2011, then you meet the residency qualification. If you resided in Kansas less than 12 months of 2011, you do NOT qualify for the food sales tax refund.

LINES A through C: If you meet the residency qualification, complete lines A through C. If you answer YES to at least one question then you meet the taxpayer status qualification. If you answer NO to all three questions, then you do NOT qualify for the refund.

LINE D: If you met the residency and taxpayer status qualifications, complete the worksheet on page 22. Enter, on line D, the Qualifying Income amount from line 14 of your worksheet. To receive a refund, there must be a qualifying entry on this line, so if your income on line 14 is " 0 ", you must enter " 0 " on line D . If the amount is more than $\$ 35,400$, you do NOT qualify for a food sales tax refund.

LINE E: If the amount is less than $\$ 35,401$, then use the following table to compute the refund amount to enter on line E :

[^0]If you are filing for a Food Sales Tax refund only, you do not need to complete lines 1 through 39 on the back of Form K-40. You can simply SIGN the return on the back and mail it to KDOR. Important-KDOR accepts only one original 2011 K-40 return for you. DO NOT file two returns - one requesting a food sales tax refund and another to file your income tax return with your W-2s. Food Sales Tax and Individual Income Tax must be filed together on the same Form K-40.

## INCOME

LINES 1 through 3: Complete these line items as indicated on Form K-40. If any are negative numbers, shade the minus [-] sign in the box to the left of the negative number.

NOTE: Many taxpayers will not have modifications. If you do not, skip line 2 and enter amount from line 1 on line 3. If, however, you have income that is taxable at the federal level but not taxable to Kansas, or income that is exempt from federal but taxable to Kansas, you must complete Part A of Schedule S.

## DEDUCTIONS

LINE 4 - Standard deduction or itemized deductions: If you did not itemize your deductions on your federal return, you must take the standard deduction on your Kansas return. If you itemized on your federal return, you may either itemize or take the standard deduction on your Kansas return, whichever is to your advantage. If you are married and file separate returns, you and your spouse must use the same method of claiming deductions - if one of you itemize, the other must also itemize.

## Kansas Standard Deduction

The following amounts will be the standard deduction for most people to enter on line 4:

> Single or Married Filing Separate \$3,000
> Married Filing Joint \$6,000
> Head of Household \$4,500

If you or your spouse is over 65 and/or blind, complete WORKSHEET I, Standard Deduction for People 65 or Older and/or Blind, to determine your standard deduction.

If you are being claimed as a dependent on another taxpayer's return and line 1 of Form K-40 includes income other than earned income, complete WORKSHEET II, Standard Deduction for People Claimed as a Dependent, to determine your standard deduction.

## Kansas Itemized Deductions

You may itemize your deductions on your Kansas return ONLY if you itemized your deductions on your federal return.

If, on your federal return, you elect to deduct state and local sales and use taxes instead of state and local income taxes then your Kansas itemized deductions are the same as your federal itemized deductions. If you deduct income taxes on your federal return, use the worksheet below to calculate your Kansas itemized deductions.

Like 2010, taxpayers with adjusted gross income (AGI) above a certain amount will NOT lose any of their deduction for personal exemptions and itemized deductions. The federal Economic Growth and Tax Relief ReconciliationAct (EGTRRA) of 2001 gradually phased out the limitations on itemized deductions and the phase-out of personal and dependent exemptions over five years, from 2006 to 2010. In tax year 2010, the limitation and the phase-out was not in effect. The general sunset of EGTRRA provisions has been extended through tax year 2011 and will reinstate the full amount of the limitation of itemized deductions and the phase-out of exemptions beginning in tax year 2012.

## ITEMIZED DEDUCTION WORKSHEET

1) Total itemized deductions on line $29^{*}$ of federal Schedule A
2) State and local income taxes on line $5^{*}$ of the federal Schedule A
3) Kansas itemized deductions (subtract line 2 from line 1). Enter this amount on line 4 of your Form K-40.

LINE 5 - Exemption allowance: Multiply the total number of exemptions claimed on Form K-40 by $\$ 2,250$. Important-If you are claimed as a dependent by another taxpayer, enter " 0 " on line 5 .

## TAX COMPUTATION

LINE 8 - Tax: If line 7 is $\mathbf{\$ 5 0 , 0 0 0}$ or less, use the Tax Tables beginning on page 18 to find the amount of your tax. If line 7 is more than $\$ 50,000$, you must use the Tax Computation Schedules on page 22 to compute your tax.

Residents - If you are filing as a resident, skip lines 9 and 10 and go to line 11. Nonresidents - If you are filing as a nonresident, you must complete Part B of Schedule S. See page 17.

LINE 9 - Nonresident percentage: Enter the percentage from Schedule S, Part B, line B23. If $100 \%$, enter 100.0000 .

LINE 10 - Nonresident tax: Multiply line 8 by the percentage on line 9 and enter the result on line 10 .

## CREDITS

LINE 13 - Credit for taxes paid to other states: If you paid income tax to another state, you may be eligible for a credit against your Kansas tax liability. If you had income from a state that has no state income tax, make no entry on line 13 and go to line 14.

If you are eligible for a tax credit paid to another state, the credit amount cannot exceed the tax liability shown on the other state's tax return. The tax liability is NOT the amount of tax withheld for the other state. Important-To receive a credit for taxes paid to another state, you must enclose a copy of the other state(s) tax return and supporting schedules with Form K-40. Copies of the other state's W-2 forms are NOT acceptable.

Foreign Tax Credit. As used in this section, state means any state of the United States, District of Columbia, Puerto Rico, any territory or possession of the United States and any foreign country or political subdivision of a foreign country. The Kansas credit for foreign taxes is first limited to the difference between the actual tax paid to the foreign country and the foreign tax credit allowed on your federal return. If you claimed the foreign tax paid as an itemized deduction on your federal return, no credit is allowed in this section.

## FOREIGN TAX CREDIT WORKSHEET

Important-If claiming a foreign tax credit, and you completed federal Form 1116, enclose a copy with your Kansas return.

## Taxes Paid to Other States by Kansas Residents

If you are a Kansas resident you may claim this credit if: 1) your total income on line 1 includes income earned in the other state(s); and 2) you were required to pay income tax to the other state(s) on that income. Important-Your credit is NOT the amount of tax withheld in the other state(s); it is determined from the "Worksheet for Residents" on the next page. Complete the tax return(s) for the other state(s) before using the worksheet.

If you paid taxes to more than one state, complete a worksheet for each state, combine the results, and enter the total on line 13 of Form K-40.

If you have not received a W-2 form from your employer by January 31, or if the form you received is incorrect, contact your employer.

Multiply amount of credit allowed on your federal return by $18 \%$. You may choose to have the IRS compute your federal earned income credit. If you do not receive the information from the IRS before the deadline for filing your Kansas return you should complete Form K-40 without the credit, and be sure to pay any amount you owe. Once the IRS sends you the completed earned income credit figures, you may then file an amended Kansas return to claim the credit. See Amending Your Return.

LINE 24 - Refundable portion of tax credits: Enter the total refundable portion of these credits:

If $\mathbf{9 0 \%}$ of your tax liability is paid on or before the original due date of your return, an automatic extension is applied and no penalty is assessed.

LINE 29 - Interest: Compute interest at .417\% for each month (or fraction thereof) from the original due date of the return on the amount on line 28.

LINE 30 - Penalty: Compute penalty at $\mathbf{1 \%}$ per month (or fraction thereof) from the original due date of the return on the amount on line 28 . The maximum penalty is $24 \%$.

If the amount on line 28 minus the amount on line 17 is $\$ 500$ or more, you may not be subject to an estimated tax penalty if you meet one of the two exceptions: 1) if withholdings and/or estimated payments (lines 20 and 21) equal or exceed 100\% of the prior year's tax liability (line 17 from last year's return) or, 2) if your withholdings and/or estimated payments (lines 20 and 21) equal or exceed $90 \%$ of this year's income tax liability (line 17). Important—If at least two-thirds of your income is from farming or fishing, mark an " $X$ " in the box on line 31.

Just add these amounts to your tax and write one check for the total of tax due and your contribution(s).

KDOR offers three options to pay your Kansas income tax - credit card, direct payment, or check/ money order.

## Credit Card

Payment by credit card is available on-line or by phone through third-party vendors. Visit our Electronic Services web site at webtax.org for a current list of vendors authorized to accept individual income tax payments for Kansas. Based on the amount of tax you are paying, a convenience fee will be charged.

## Direct Payment

If you choose WebFile or IRS e-File to file your Kansas return, Direct Payment is an option during the filing process to pay your balance due. If you file a paper return you also have the option to make an electronic payment by calling toll-free at 1-866-450-6490 or visit https://www.kdor.org/personaltax/Login.aspx for an on-line transaction.

When you select Direct Payment, and provide your bank routing number and bank account number, you are authorizing KDOR to initiate an electronic payment from your account for payment of your balance due. Direct Payment allows you to "file now, pay later." For example, if you file your return on March $20^{\text {th }}$ and elect Direct Payment, you can have your bank account debited on the April 17 due date.

With Direct Payment, you are also assured that your payment is made on time. Direct payment authorizations on returns filed by midnight of April 17 are considered to be timely paid.

Direct Payment saves time; no check to write and no voucher to complete and mail. If you need to revoke your election of this payment authorization, you must notify KDOR at 1-800-525-3901 by 4:00 PM, two business days before the scheduled payment date. Important-You should check with your financial institution to be sure they allow an electronic debit (withdrawal) from your account.

## Check or Money Order

If you choose this payment option, you must complete and submit Form K-40V with your payment. Write your Social Security number on your check or money order and make it payable to "Kansas Income Tax." If you are making a payment for someone else (i.e., daughter, son, parent), write that person's name and Social Security number on the check. DO NOT send cash. DO NOT staple or tape your payment to the K-40V or K-40 - instead, enclose it loosely with your return.

Returned checks: A fee of $\$ 30.00$, plus costs for a registered letter (currently \$10.04), is charged on all returned checks.

## OVERPAYMENT

LINE 33 - Overpayment: If your tax balance, line 19, is less than your total credits, line 27, enter the difference on line 33. NOTE: An overpayment less than $\$ 5$ will not be refunded but may be carried forward as a credit to next year's return (line 34), or contributed to any of the donation programs on lines 35 through 38.

LINE 34 - Credit forward: Enter the portion of line 33 you wish to have applied to your 2012 Kansas estimated income tax (must be $\$ 1$ or more). If the amount on line 33 is less than $\$ 5$, you may carry it forward to 2012 as an additional credit even if you do not make estimated tax payments. You may make voluntary contributions to any of the donation programs listed on lines 35 through 38 - see the following instructions. Your contribution(s) will reduce your refund or increase the amount you owe.

EXAMINATION ADJUSTMENT: If your overpayment is decreased due to an adjustment to your return, any contributions you have made will be reduced by that amount. If your overpayment is increased, your contribution amount(s) will remain the same.

LINE 35 - Chickadee checkoff: Contributions to this Kansas nongame wildlife improvement program will help improve the quality of wildlife in Kansas. Last year's contributions were used to:

- Assess and maintain information for sensitive species.
- Monitor populations of endangered species.
- Assess impacts of development actions on endangered species.

- Continue long-term nongame projects such as the Kansas Winter Birdfeeder Survey, Bluebird Nest Box Program, and Backyard Nongame Wildlife Habitat Improvement Program.

Enter on line 35 the amount you wish to contribute to this program (must be $\$ 1$ or more).

LINE 36 - Senior citizens meals on wheels contribution program: All contributions are used solely for the purpose of providing funds for the senior citizens Meals On Wheels contribution program. The meals are prepared by a dietary staff and delivered by volunteers. The underlying objective of the program is to prevent deterioration of the elderly and handicapped individuals in the community, thus making it possible for them to live independently in their own homes for as long as possible. The friendly visit with the volunteers is socially helpful and daily visits are important in case of an emergency situation. Enter on line 36 the amount you wish to contribute to this program (must be $\$ 1$ or more).

LINE 37 - Kansas breast cancer research fund: This fund is devoted to ending suffering and death from breast cancer in Kansas. Every dollar collected stays in Kansas to bring the latest in breast cancer prevention, early detection, diagnosis, and treatment to Kansans. The research is conducted at the University of Kansas Cancer Center. With the hope of finding a cure, the purpose of this fund is to help save lives and significantly enhance the health of Kansans living with breast cancer. Enter on line 37 the amount you wish to contribute to this fund (must be $\$ 1$ or more).

LINE 38 - Military emergency relief fund: Contributions will be used to help military families with the cost of food, housing, utilities and medical services incurred while a member of the family is on
active military duty. Enter on line 38 the amount you wish to contribute to this fund (must be $\$ 1$ or more).

LINE 39 - Refund: Add lines 34 through 38 and subtract the result from line 33. This is your refund amount. If line 39 is less than $\$ 5$, it will not be refunded, however, you may carry it forward to be applied to your 2012 Kansas income tax liability (enter the amount on line 34). If you do carry it forward, please remember to claim it as an estimate payment on your 2012 return. You also have an option to apply it to one of the donation programs (lines 35 through 38 of Form K-40).

If you file a paper form K-40, you need to allow 16 weeks from the date you mail it to receive your refund. Errors, inaccurate forms, photocopied forms, or incomplete information will delay processing even longer. For a fast refund - file electronically! See page 26 for details.

## Refund Set-off Program

Kansas law provides that if you owe any delinquent debt (Kansas tax, child support, student loans, etc.) to a Kansas state agency, municipality, municipal court or district court, your income tax refund will be applied (set-off) to that delinquent debt. The set-off process will cause a 10 to 12 week delay to any remaining refund.

Unless the debt is a Kansas tax debt, KDOR will not have access to who the debt is owed to or how much is owed. You must contact the debtor setoff department at 785-296-4628 for that information.

## SIGNATURE(S)

Signature: Your income tax return must be signed. You will not receive your refund if your return is not signed. Both taxpayers must sign a joint return even if only one had income. If the return is prepared by someone other than you, the preparer should also sign in the space provided.

If you are filing a return on behalf of a decedent, the return should be signed by the executor/executrix. If it is a joint return filed by the surviving spouse, indicate on the spouse's signature line "Deceased" and the date of death. If a refund is due, enclose the required documents (see instructions for Deceased Taxpayers on page 5).

Preparer authorization box: In some cases it may be necessary for KDOR to contact you about your tax return. By marking the box above the signature line, you are authorizing the director or director's designee to discuss your tax return and any enclosures with your tax preparer.

Mailing your return: Before mailing your income tax return, be sure you have:
$\checkmark$ completed all required information on the return,
$\checkmark$ written your numbers legibly in the spaces provided,
