## Mark A. Burghart, Secretary Record Request Form

Many records maintained by the Kansas Department of Revenue are either confidential or restricted, and/or the Secretary of Revenue, pursuant to K.S.A. 74-2022, has fixed the fees. Consequently, the Kansas Department of Revenue has developed request forms for specific record types. Copies of the various request forms are available on the Kansas Department of Revenue website at www.ksrevenue.gov.

## Fees:

The Kansas Department of Revenue has several fees that are fixed by the Secretary of Revenue, pursuant to K.S.A. 74-2022. Some of the fixed record fees include but are not limited to: Drivers License or Vehicle Title and Registration records, copies of tax returns, records maintained within the Kansas computer assisted mass appraisal system (KS CAMA), and Automobile Dealer Licensing records. The appropriate request forms, for the above mentioned record types, are available at www.ksrevenue.gov.

The following fee structure applies only to those records that do not have fixed fees (see above):

Copies (per page)	\$0.25
Mail charge (first 5 pages)	\$0.40
(additional 5-page increments)	\$0.25
Faxed copy	\$0.65
Search charge (staff time per	\$25.00
hour) Computer time (staff time	\$60.00
per hour)	

per hour)

Copy & Search Charge Fees: The 25-cent copy charge is a per page charge which is principally assessed to reimburse the agency for routine costs of retrieving records which are requested with specificity and are held within the agency's current file system. It does not include the cost of more than one-tenth of an hour of research or access time required to determine the location of records not readily accessible, to determine what specific records meet request criteria, to segregate public from non-public information, to access records from archives and other similar necessary services. For such services in providing access or copies, the \$25 per hour search charge may be assessed, to be billed by the tenth of an hour. Please note that any Kansas resident seeking a request under the Kansas Open Records Act shall not be assessed any charge or fee for the copying of documents up to and including the first hundred (100) pages of such documents.

Mail Charge Fee: The mail charge may be assessed in addition to the copy charge when mail service is requested. For up to and including the first five pages, 40 cents may be charged, plus an additional 25 cents for up to and including each additional five pages. If air express delivery is requested, you must provide a prepaid envelope or an account number for such delivery.

Fax Fee: The Fax charge of 65 cents per page includes those services required in copying a record, in addition to domestic fax transmission costs. No additional copy charge is assessed.

Computer Time Fee: The computer time charge of \$60 per hour, also billed in tenths, is for staff time, including associated computer connect and processing time, for providing copies of records in available electronic format or for production of special computer-generated reports. The Official Custodian will be the sole judge of the ability of the agency to comply with any request for records in specific electronic format or the ability to produce any special computer-generated reports.

The agency will provide an estimate of fees to be charged as soon as possible after receiving the request. The agency reserves the right to require any estimated charge for access to or copies of records be received before work is performed to produce the records in order to insure payment. While the agency will do its best to provide an accurate estimate of the fees, it is possible that the records can be produced for less than the estimated amount. If so, any additional amounts will be refunded. However, it is also possible that after the work is started, the agency will discover that the estimate is too low. If this occurs, the agency will promptly inform the requestor of the revised estimate. The agency may require advanced payment of any additional cost before continuing work to fulfil the request.
