**WHAT IS THE TIRE EXCISE TAX?**

The tire excise tax is 25 cents on each new vehicle tire sold. New tires for automobiles, motorcycles, trucks, truck tractors, trailers, buses, farm machinery, construction equipment, and other vehicles authorized or allowed to operate on Kansas public streets and highways are subject to the tire excise tax. The tax also applies to the tires mounted on a new or used vehicle when the vehicle is sold at retail. Therefore, most vehicle and implement dealers must also be registered to collect the tire excise tax. Additional information about the tire excise tax in our **Publication KS-1530, Kansas Tire Excise Tax**, available from our office or website: [ksrevenue.gov](http://ksrevenue.gov).

**WHO MAY USE THIS EXEMPTION?**

Only those tire retailers that have a tire excise tax registration number and a Kansas Retailers' Sales Tax Registration Number (see explanation below) from the Kansas Department of Revenue may use this certificate.

**WHAT TIRE PURCHASES ARE EXEMPT?**

Only **new** tires intended for *resale* may be purchased exempt from the tire excise tax (as well as sales tax) with this certificate. A tire retailer or vehicle dealer will use this certificate to purchase new tires exempt from both the tire excise tax and sales tax. The tire retailer will collect the Kansas Retailers' Sales and Tire Excise Tax when the tires are sold to the final user or consumer.

**Used**, recapped and retreaded tires are not subject to tire excise tax. A business selling used tires should use the form **ST-28A Resale Exemption Certificate**, to purchase its inventory of used tires.

**TAX REGISTRATION NUMBERS.**

This certificate is an exemption from the tire excise tax and also acts as a resale exemption certificate. In order to be exempt, the buyer must provide its Kansas tire excise tax registration number **AND** its Kansas sales tax number.
