☐ 6,000 MILE REGISTRATION

KSA 8-143(b)(3)

I hereby declare the vehicle listed in this affidavit shall not be operated for more than a total of six thousand (6,000) miles during the registration period/year (Jan. 1 to Dec. 31). If this vehicle is operated for more than the 6,000 miles during the registration period/year, I will return to the county's motor vehicle office and make application for regular registration and pay the additional fee difference due for the regular registration. I further declare the vehicle's odometer will be maintained in constant working order and the required mileage/trip log will be maintained at all times. I understand and agree if the 6,000 limit is exceeded and I did not apply for regular registration as required, I will not be eligible to renew the 6,000 mile registration the following year and will be required to obtain regular registration at renewal time.

K.A.R. 92-51-32 Six thousand (6,000) mile registration requirements. The speedometer or odometer which records the number of miles traveled by a vehicle having a 6,000-mile registration shall be kept in working condition at all times during the registration period. The highway patrol, motor carrier inspection bureau, or any law enforcement officer shall have authority to inspect the readings of the speedometer or odometer and to inspect the vehicle to ensure that the speedometer or odometer is properly connected and in good working condition. The operator of this vehicle shall keep at all times in the vehicle a log reciting the date, the towns traveled in, and the distance operated on each trip. Anyone securing a 6,000-mile registration and not having the speedometer or odometer connected and in good working condition or not having the log in the vehicle shall have the vehicle registration suspended and the registration shall not be reinstated until the difference between the 6,000-mile and the regular registration fee on the vehicle is paid. (Authorized by K.S.A. 74-2011, 8-134; and 8-143)

Trip/Mileage Log Book Requirement: The operator of this vehicle shall maintain at all times in the vehicle a log book reciting the date, to and from locations and distance traveled for each trip. Any one operating a vehicle registered with a 6,000 mile registration shall assure the vehicle's odometer is connected and is accurately recording the actual miles the vehicle is traveling. Failure to maintain the log book and/or odometer as set forth herein shall have their 6,000 mile registration suspended. The vehicle will not be registered again until the difference in fees between the 6,000 mile registration and regular registration has been paid. The owner of the vehicle will not be eligible for 6,000 mile registration in the future.

I certify I have read, understand and agree to the requirements set forth above. I declare under penalty of perjury under the laws of the state of Kansas that the foregoing is true.
