Instructions

Kansas is an electronic title state. An Add Lien or Replacement title is not printed due to the lien listed on the vehicle record. If a lienholder is shown on the registration receipt, there is a lien/loan on the vehicle record. Only vehicles with no lien holder will have a paper title issued.

January 1, 2025 and going forward, requirements on a replacement/duplicate title transaction submitted with a simple Power of Attorney or TR-41 Power of Attorney form will now need to include a copy of the driver license or state issued identification card for the owner on the front of the title who signed the power of attorney.

Replacement: Replaces lost, mutilated or illegible title.

Add Lien: Adds a lien holder to a title (attach title).

Remove Lien: Removes the lien from the title (attach title).

- Signatures of the owners must match the names on the face of the current Kansas title record.
- To remove an existing lien, a notarized lien release is required.
- Record the name and address of the secured party/lienholder, if applicable.
- A copy of the security agreement is not necessary.
- If a legal document or power of attorney is used, please attach it to the application.
- Missing signatures will void this application.
- If two or more persons are shown on the face of the title as owners with an ‘and’ between the names, all persons must sign this application.
- Vehicles with a GVWR of 26,000 lbs or less cannot use this form to add a second lien. Please use the Refinance Secured Title Application, form TR-720R.
- If a replacement title is being requested, attach the current title to this application if the reason selected is mutilated or has become illegible.
- You must provide a phone number as this is a required field.
- Please include your area code when entering your phone number.
- If someone other than the owner of the vehicle presents this form to pick up the title, they will need to supply a signed Power of Attorney document. Otherwise, the title will be sent to the address listed on this form.
